A P P L I C A T I O N

Congregation Beth Elohim's After School Center offers children a wide variety of instructional classes and recreational activities in a safe and caring environment. We believe that each child develops at his or her own pace. Our program encourages children to express themselves and their creativity in a relaxed and enjoyable atmosphere. All program areas are supervised by a highly qualified staff.

The program operates on a trimester basis and is available to children from kindergarten through grade six. Program days and hours are: Monday–Friday, 3:00–5:45.

Our After School Center offers pick-up from P.S. 321. We will also pick up from any neighborhood school with five or more children attending our program.

After School Program

Second through Sixth Grade

For each trimester, children in second through sixth grade will be able to sign

up for one course each day that she or he attends the center. Courses will run for the entire term and include: instructional swim, gymnastics, art, cooking, theater, video, dance, music, karate and computer. (Please see enclosed course description list for days and times.) In each course the child's individual ability is emphasized from basic through more advanced skills. When the child is not participating in his or her selected activity, a supervised game room, gym, and homework room are available. We are one of the few after school programs to offer swimming on-site in a spacious, heated pool.

Kindergarten/First Grade

The afternoon is divided into two periods: first period, kindergarten and first graders will be able to choose a class from the course listings. Second period they will all participate in group games and projects with their group staff. A supervised homework room is available to first graders. There is a minimum 2 day registration for these grades.

Special Programs

Single Class

Registration for a Single class allows a child to attend the program only during the scheduled class hour.

Extended hours

From 5:45–6:30 pm extended hours are available for all grades for an additional fee of \$5.00. **There are no extended hours on Fridays.**

Music Lessons

Individual music lessons are available for a separate fee. If interested, please see flier for this program.

Homework Clinic

Tutorial program to enhance basic skills in fun, interesting ways; 3 to 1 child-to staff ratio. If interested, please see information enclosed for this program.

Mini Camps

The After School Center offers mini-camps during winter, mid-winter and spring recess. Our full day program includes trips, olympics and various activities such as art, swimming, gymnastics, cooking and sports. We also provide for an additional fee, full and half-day programs on public school staff development and clerical days that fall on regular school days.

2011-2012

Monday

Sports Sampler

A little bit of everything—basketball, soccer, floor hockey & kickball. Each sport for one month. Rules of the game, skill building, coordination and teamwork taught.

K-1 3:30-4:30pm

2-6 4:30-5:30pm

“Where the Wild Things Are”

Using Maurice Sendak's book as a starting place, the group will explore an imaginary environment where “wild things” roam. It could be a jungle, rainforest or woodlands. A group mural will be the final project.

K-2 3:30-4:30pm

Open Studio

An exciting experimental art class in a studio atmosphere. The students will be using various materials and media related to themselves, their world and interests. We will emphasize creativity and personal interpretation.

2-6 4:30-5:30pm

Beginner Chess

No previous experience necessary. Have fun learning all the moves and rules of chess, as well as how to win and lose gracefully. Good sportsmanship and creative thinking stressed. Weekly playing sessions.

K-1 3:30-4:30pm

2-6 4:30-5:30pm

Computer K-1

Class is limited to 6 students.

Learn introductory computer skills through the use of age appropriate art, math, reading and problem solving programs, such as Crayola Art Studio, Clue Finder, Roller Coaster Tycoon and others

K-1 3:30-4:30pm

Computer 2-6

Class is limited to 6 students.

Class time will focus on increasing a student's comfort with computers, through the use of programs that will enrich reading, math and problem solving skills. Word processing and appropriate internet access may be included

2-6 4:30-5:30pm

Fashion Design

Design your very own clothing line. Work with a designer on all stages of the fashion process: draw your ideas, cut your patterns, choose a fabric, and make a miniature sample of your fashion line.

2-6 3:30-4:30pm

Instructional Swim

Students are taught fundamental swimming skills including: breath control, kicking, and floating. *Intermediate Swim* focuses on stroke and rhythmic breathing. Having fun is encouraged.

Beginner 3:30-4:30pm

Intermediate 4:30-5:30pm

Tap Dancing *Tap shoes required.*

This class stresses the basics of tap. Students will develop combinations that are great to watch and delightful to hear. Boys are encouraged to join.

Beginner 3:30-4:30pm

Intermediate 4:30-5:30pm

Gymnastics

This class is designed to help children become well-rounded gymnasts. Strength, flexibility, and graceful tumbling are all stressed. Safety precautions are taken in all areas.

K-1 3:30-4:30pm

2-6 4:30-5:30pm

World Drumming

This drumming course is an eclectic and enriching way for your child to learn rhythms from Africa, Cuba, and Brazil as well as contemporary American rhythms. The class includes fun warm-ups with body rhythms and chants. The students will also be decorating their instruments and working towards an exciting performance!

K-1 3:30-4:30pm

2-6 4:30-5:30pm

Jewelry Making

Boys and girls will enjoy beading and making wire jewelry. Hemp, rope and friendship bracelets, wrapping and coiling beaded flowers all add to the fun. Bracelets, necklaces, anklets, earrings, and more.

3-6 4:30-5:30pm

Group Guitar

This beginning guitar class introduces students to the basics of instructional guitar. It's a great way to find out if guitar is something your child wants to pursue. Children need to bring their own guitar.

3-6 3:30-4:30pm

Cooking

Is there a difference between an herb and a spice? What is a whole grain? Cooking classes take a healthy approach as children learn the connections between the food we grow and what we put on the table.

K-1 3:30-4:30pm

2-6 4:30-5:30pm

Tuesday

“Bughouse” Chess

Join us for this fun way of playing chess in teams. Each team has two or three players on a side. In Bughouse chess you capture the King to win.

1-2 3:30-4:30pm

3-6 4:30-5:30pm

Painting for the Young Artist

Children will explore pastels, paint, pencils and other media while learning about color, shape and line. Creativity, imagination and experimentation will be encouraged.

K-2 3:30-4:30pm

Soccer

Learn basic skills and rules of the game, stressing coordination and team cooperation. Prospect Park will be used in nice weather.

1-2 3:30-4:30pm

3-6 4:30-5:30pm

Let's Make a Movie-Animation

During the winter, students will learn how cartoons are made. They will make a video cartoon using basic animation techniques including drawing, and stop animation. They will write a simple story to animate, and supply the voices and sound effects, as well the pictures

2-3 3:30-4:30pm

4-6 4:30-5:30pm

Hip Hop

Focuses on developing a child's ability to associate rhythm to music. Introduces fundamentals of break dance designed to develop muscle strength such as holding body weight and beginning level acrobatics. Freestyle segments introduce a variety of rhythm based music.

2-3 3:30-4:30pm

4-6 4:30-5:30pm

Photography

Class size limited to 6 students.

This class explores basic skills in B&W photography. The students will start with photograms and pinhole photography then progress to shooting, developing and enlarging B&W photos.

2-3 3:30-4:30pm

4-6 4:30-5:30pm

Group Recorder

This simple instrument is perfect for small hands and young musicians. It's easy to learn and children quickly experience gratification while playing. Limit 8 children.

1-2 3:30-4:30pm

Cooking

See Monday's course description.

K-1 3:30-4:30pm

2-6 4:30-5:30pm

Harry Potter Potions: Experiments With Solids, Liquids & Gases

Make colorful bubbling potions, slimey mixtures and misty vapors, while learning basic chemistry concepts of solids, liquids and gases. How can you make invisible ink appear? The "aparecium spell" of course. Hint: It involves lemon juice. How can you restore something broken to it's original state? Wizards use "mandrake vapors". Our experiment uses soap bubbles. Students will learn science concepts and processes in series of hands-on chemistry experiments.

K-2 3:30-4:30pm

Hermione Granger Magic Potions: Chemistry for Girls

See Harry Potter Potions course description.

Studies show that girls often lose interest in science when they reach middle school. In this program, girls will learn science concepts and process it in encouraging environment

3-6 4:30-5:30pm

Painting & Drawing (Mixed Media)

Students will use pastels, pencils and a variety of other mediums to create still-life portraits and landscapes.

2-6 4:30-5:30pm

Recycled Art

Children will use recycled materials like plastic bags, cans, newspapers, found objects and other reusable things to turn trash into treasure. This class will cultivate a green attitude and a new and exciting approach to art making in a fun studio environment. English/Hebrew speaking instructor.

K-1 3:30-4:30pm

2-6 4:30-5:30pm

Instructional Swim

See Monday's course description.

Beginner 3:45-4:30pm

Intermediate 4:45-5:30pm

Move and Groove

This exhilarating class, designed for boys and girls, explores various locomotive patterns. Time, space, and energy— the components of dance are explored through movement games.

K-1 3:30-4:30pm

w e d n e s d a y

Sewing

Learn how to sew by hand. Make various projects with fun fabrics and bright colors. Work at your own pace.

K-2 3:30-4:30pm

Gymnastics

See Monday's course description.

K-2 3:30-4:30pm

Advanced Gymnastics

With instructors approval. *See Monday's course description.*

3-6 4:30-5:30pm

The World of Simple Machines- Pulley's, Gears & Levers

Students will conduct science experiments with inclined planes, pulley's gears, and levers and make some of their own simple machines. They'll learn physics at an age appropriate level as they discuss the concepts of gravity, pulling and pushing. How amazing to find out that a seesaw and a can opener are really levers, and playground slides (sliding ponds?) are inclined planes. A continuation of the fall class. New students welcome.

K-2 3:30-4:30pm

3-5 4:30-5:30pm

Legos

Using these colorful interlocking bricks and other parts children will construct objects such as buildings, vehicles, spaceships, etc; beginning ideas related to architecture, engineering and math. .

K-2 3:30-4:30pm

3-6 4:30-5:30pm

Soccer

See Tuesday's course description.

K-1 3:30-4:30pm

Cooking

See Monday's course description.

K-1 3:30-4:30pm **2-6**
4:30-5:30pm

Sewing/Quiltmaking

No previous experience necessary!

Learn how to sew by hand piecing a small quilt. Learn basic patchwork using fun colorful prints on 4 1/2" squares of fabric. Design the quilt and learn how to complete it.

3-6 4:30-5:30pm

CBE News

The CBE news team is on the beat covering stories at Beth Elohim After School, Prospect Park and Park Slope. They will learn to use the camera, interviewing techniques and editing as they produce a newscast.

2-3 3:30-4:30pm
4-6 4:30-5:30pm

Tennis

Tennis comes to Beth Elohim's After School Program! Classes feature interactive drills and games that teach the fundamentals of tennis: forehand, backhand, volley, serves and overhead. Students will develop fine and gross motor skills as well as eye/hand coordination skills crucial to tennis. Sneakers and a water bottle are required. Racquets are provided but if you have your own racquet you can bring it.

K-2 3:30-4:30pm
3-6 4:30-5:30pm

Building an Environment

Students will construct different environments (eg. Futuristic homes, neighborhoods, the local zoo or playground) and learn about architectural structures. They will also be introduced to a variety of materials to plan their own real or imaginary model environments. This class will be taught in an exciting studio atmosphere. English/Hebrew speaking instructor.

K-1 3:30-4:30pm
2-6 4:30-5:30pm

Ballet

Students will learn basic ballet positions and locomotor patterns in a creative and imaginative process. Dance studies will explore popular ballet themes and folktales.

K-2 3:30-4:30pm

Circus Arts

Run away, join the circus and still be home for dinner! Learn tumbling, juggling, clowning, Diablo, partner acrobatics, rope and plate spinning, clown makeup, human pyramids, and much more! This fun filled class allows ordinary youngsters to become circus stars!

K-2 3:30-4:30pm
3-6 4:30-5:30pm

Beginner Instructional Swim

K-2 4:30-5:30pm

Free Swim

For students who are on a swim team or would like to be. The class will focus on doing laps using different strokes and timing meets.

3-6 3:30-4:30pm

Thursday

"On Broadway"

Dance to popular Broadway shows such as *Grease*, *Hair Spray*, *Annie* & more. Here's your chance to star in a Broadway musical.

3-6 4:30-5:30pm

Sculpture

Class size limited to 10 students.

Various sculpture techniques will be covered, using basic material like cardboard, clay, plaster, metal and wood.

2-6 4:30-5:30pm

Hands On Science

This class introduces our young scientist to the scientific method. Children will form a hypothesis, do observations and/or experiments and discuss a conclusion. Experiments involve simple chemistry as well as physics.

K-1 3:30-4:30pm

Jewelry Making

Boys and girls will enjoy beading and making wire jewelry. Hemp, rope and friendship bracelets, wrapping and coiling beaded flowers all add to the fun. Bracelets, necklaces, anklets, earrings, and more.

3-6 4:30-5:30pm

Computer

See Tuesday's course description.

2-3 3:30-4:30pm
4-6 4:30-5:30pm

Yoga

Wiggle and giggle your way to being healthier and more confident! We'll use traditional yoga poses as well as unique inspired exercises to increase body awareness, strength, balance, coordination, and cooperation. Storytelling, games and music will abound as we learn about healthy living in a fun and active way.

K-2 3:30-4:30pm
3-6 4:30-5:30pm

Photography

See Tuesday's course description.

2-3 3:30-4:30pm
4-6 4:30-5:30pm

Puppetry

Enter the fascinating world of shadow, stick, hand, and paper mache puppets. Explore different techniques of creation and the rich tradition of making puppets from all over the world. Use everyday materials to create your own unique characters.

K-2 3:30-4:30pm

Instructional Swim

See Monday's course description.

Beginner 3:30-4:30pm

Sewing

See Wednesday's course description.

K-2 3:30-4:30pm

Cooking

See Monday's course description.

K-1 3:30-4:30pm

2-6 4:30-5:30pm

Hockey

No previous experience necessary!

Learn basic skills and rules of the game, stressing coordination and team cooperation.

3-6 4:30-5:30pm

Leadership/ Community Service

Additional class can be taken- no extra fee.

The course is designed to help promote leadership skills in a non-competitive atmosphere. Students will focus on communication skills and values while promoting self confidence. This group will volunteer at the Prospect Park Residence two Thursday's a month starting in January.

4-6 3:30-4:30pm

Textile Design

This advanced course will combine sewing, weaving, fabric applique on clothing, as well as landscape design. (2nd grade eligible with permission from instructor.)

3-6 4:30-5:30pm

Beginning Ballet

See Wednesday's course description.

K-2 3:30-4:30pm

Doll and Pillow Making

Construct and sew a doll of your own design, create a pillow or a beanbag creature. More advanced class for older students.

K-2 3:45-4:45pm

Musical Theater

Glee comes to CBE's After School Center. Students and instructor will work on scenes from well known musicals.

During the second & third trimester they will write and perform their own musical. *There is an extra \$50 fee for this 2 hour class.*

3-6 3:30-5:30pm

Legos

See Wednesdays course description.

K-2 3:30-4:30pm

3-5 4:30-5:30pm

Becoming a "Naturalist"

Children will explore the natural world through art projects which focus on our environment. Weaving, collage, painting, drawing and sculpture will be incorporated into our class. Weather permitting children make trips to Prospect Park for inspiration.

K-1 3:30-4:30pm

Becoming a "Naturalist"

In addition to the previous description, older students will use field guides and keep sketch books of their investigations.

2-6 4:30-5:30pm

Cooking

See Monday's course description.

K-1 3:30-4:30pm

2-6 4:30-5:30pm

Sports Sampler

See Monday's course description.

K-2 3:30-4:30pm

3-6 4:30-5:30pm

Art of Batik

Learn the magic of Batik. Batik is an amazing traditional technique, in which fabrics are decorated using wax and dyes. Today this process, which is over 2,000 years old is used for cloth, paper, t-shirts & scarves as well as batik painting.

2-3 3:30-4:30pm

4-6 4:30-5:30pm

Beginner Karate

This class emphasizes courtesy, humility, integrity, and self awareness. (The class also builds confidence by running through basic calisthenics.)

K-2 3:30-4:30pm

3-6 4:30-5:30pm

Ice Skating

This Program is designed for students who wish to learn the sport of ice-skating. The instructional emphasis is on basic skating techniques and safety skills. Classes for new skaters through advanced beginner classes will be offered. This is a 10 week class, beginning January 16th children can choose another activity on 12/16 & 12/23. All sessions will take place at Abe Stark Rink in Coney Island. *There is an extra \$200 fee for this class.*

K-4 3:30-5:30pm

Circus Arts

See Wednesday's course description.

K-2 3:30-4:30pm

3-6 4:30-5:30pm

Instructional Swim

See Monday's course description.

Beginner 3:30-4:30pm

CBE KIDS After School center Homework Clinic

This fall, the Congregation Beth Elohim After School Program will be offering a tutoring and homework enrichment program. This program is designed to enrich your child's basic skills in fun and interesting ways through direct teaching and interactive games. After School tutoring will strive to enhance your child's daily instruction and help him/her gain confidence in his/her abilities, by adding new strategies to his/her repertoire, as she/he strives to meet the new educational standards. Meeting times will be arranged during the students free period of after school. If you are interested please contact Bobbie Finkelstein, 768-3814 X210.

Hours:
Monday through Friday
3:30-5:30pm

C l i n i c F e e s

- 1 to 1 Ratio** \$400 per tri-mester (10 sessions)
(tutoring is with a certified teacher)
- 3 to 1 Ratio** \$150.00 (10 session)

Payment must be made in full or in two installments. Fees will be pro-rated for children starting after the tri-mester begins. Children will be permitted two trial sessions at the individual lesson rate, before making a commitment.

Absence: All lessons must be paid for whether taken or missed. In case of teacher's absence or holidays, arrangements will be made for make-up lessons.

When we receive your confirmation you will be contacted to arrange a lesson time.
